

## NewStarts Since 1994

### United States and Canada

#### Definition

A NewStart is any ministry started with the intent of becoming a church.

\*Categorized by cultural or language group These categorizations are not necessarily to be interpreted in strict fashion. Many of the churches represented below contain

members of more than one cultural/language group and are identified by the predominant group for simplicity's sake.

\*\*"Multicultural" indicates a NewStart that is composed of one or more cultural/language groups and does not easily fit one categorization.

There are a total of 1,783 organized churches and NewStarts. Of these, 696 are organized churches and 1,087 are NewStarts.

| District / Church                | Cultural Class Name    | Date Started | Date Organized | Assembly Year Organized | Year Disorg. or Dropped | Current Type      | Current Status |
|----------------------------------|------------------------|--------------|----------------|-------------------------|-------------------------|-------------------|----------------|
